Here it is! My first leap into the published world. It's my first time drawing a comic of such length, so there are bound to be inconsistencies everywhere. Whoopsidaisy!

While it was a lot of work, I really enjoyed drawing every page. It had been a while since I had the chance to make characters actually emote through the pages, rather then just single pictures of dudes with their dongs hanging out. Although, I enjoy drawing that too.

Anyway, I want to thank Zaush for the proofreads, invaluable Photoshop tips, and use of his kick-ass Cintiq, and Runtt for the opportunity to illustrate his story.

Hope all you peeps enjoy the comic!

-Meesh

One thing I like about every round of Spooo Presents is the ability to help new artists and new writers produce fresh Spooo. Over the last two years, we've produced 9 issues with some of the top artists in the furry community. With this round we would like to welcome Meesh and Runtt Red Panda into the fold.

While I haven't worked with them directly, I hope you like this new round of spooage. Just remember: There's nothing quite as nice as having fresh Spooo on your hands.

Good luck and thanks for reading.

- Kurst "YipYap" Hyperyote

Ah, the wonders of the Interweb. I've known Runtt since my days in college (care of my ever adorable behind-the-scenes and extra shy arctic fox), but Meesh, never met him face to face! And yet here we are, one giant 32-page book of love presented for you, the dear reader. All this without any physical interaction.

I do, however, hope that this work encourages some very happy physical interaction with you and another member of your extended friends list.

To the next 10 issues, huzzah! -- Sean

MOVING IN

Story by Runtt Art by Mess

Hurry, before the door closes!

NNH!!

SHUNK

That was cutting it a bit close! It's a good thing we don't have a lot of furniture to move.

When are you getting a case for that thing? It's getting trashed.

Nah, she's alright... just a few battle scars. Still plays like a dream.

So who's this friend who got you the apartment?

He's in my advanced music theory class. His name's Arthur. Really nice guy, I think you'll like him.

Is he...cute?

I guess... if you like the chubby type, that is.

So he's YOUR type, then.

Hon, there's only one chub for me, and he's sitting right here.

asshole.

Besides, I don't think he bats for OUR team.

munch munch

If you catch my drift.

Not gay, huh? Oh well, it's not like me to share my favorite toy, anyway.

Sweetie, you know I'm just kidding.

TOY?! Is that what you think of me? A toy for your own personal amusement?!

Hmph!

C'mere--

mmmm...

I think I'm the luckiest guy in the world to have found you under my tree that faithful christmas morning.

So where's this guy supposed to meet us?

He's right there...
HEY ART!!

Hey guys! Hope the ride wasn't too unpleasant.

Uh...need any help?

YES. PLEASE.

Nice to meet you, Art.

Likewise. So, is this everything?

Oh, lemme introduce you to my mate. Art, Jason. Jason, Art.

Everything but the kitchen sink.

Jeeeeez! Judging by the weight of this thing, you DID bring the kitchen sink!

No, just MOST of it.

hee hee

So, um... which way?

Oh, just up this way, around the corner. you'll find it's pretty easy to get around once you get used to it. Everything that isn't within walking distance is a short train ride.

chuckle Talk to your friend over here.

Oh, thanks. It's not all MY stuff, you know.

A good thing, too. I wouldn't want to have to lug this stuff for blocks.

He IS cute! And a red panda, to boot.
I think I'm gonna melt...

Hehe, shush! You want him to hear?

And such a cute ass...

Huh? Did you say some-thing?

Er! A-a...

COUGH

Art!

How were you able to find the apartment?

We looked all over, and it seemed like every decent place was either too expensive or taken.

Well, the girl across the hall from me moved back into the dorms recently, and Lyle mentioned he was looking for a place. So I talked to some people...

...and now you guys have an apartment!

I just hope you like it.

Believe me, he will.
Wait'll you see it, hon.

Here we are,

Don't worry! They'll be working in no time. The caretaker is really good at keeping things running smoothly.

STAIRS

In the meantime, we can use the stairs.

oh god.

Stairs, huh? Well, it can't be that far up. Let's get going.

13th floor, here we come!

Uhh...yep!

Let's get going!

30 minutes later...

THUMP!

gasp FINALLY!

I think I'm going to die, right on this spot!

Let's... *huff* just get this stuff to your room... *huff* It's number 1313, just down the hall.

Greaaaat. Room 1313. It figures.

The elevators are fixed!

FUU UU UU UU!!

Hi there, chubbypandakins.

I told you to stop calling me that...

The name is BEIGE, bitch!

Yeah, whatever...

Ooooh, and who are your friends?

sigh "Beige".

This is Jason, and this is Lyle. Guys, meet Ralp

Uh uh uh!

Hi.

Mmmm, you two will have to stop by sometime. My room is number 1304.

I'll rock your world. Toodles!

Wow, he sure does come on strong!

Hmph! In more ways than you could count...

Ah, here we are. 1313.

Well? What do you think?

I can't believe it. It's perfect!

Glad you like it! The living room counts as a bedroom. The bed pulls out of the wall. There you have a nice kitchen area, and a full-size bathroom, with a tub and shower.

It's still small, but much larger than the dorms. Plus, no having to share with two other roomies.

Thank you so much for getting this for us!

Zip!

Well, um...I should be going, you guys will want to get settled in.

I'll be across the hall in number 1314 if you guys need anything.

After carrying that trunk up 13 flights of stairs, a shower is sounding really good.

Um, why don't you shower here? After all, you DID help us find this place...

...And we wouldn't want you to think we don't appreciate it.

U-um, I...ah....

Shhhh.... let's all head to the shower.

You wash my back, I wash yours, and we'll both wash Art's.

HEY! NOT FUNNY!

Well, next time get up when I call you. We have a lot to do today.

You could've just shaken me...

Or done..., "other" things...

If I had done "other" things, we'd never get out of bed.

Water is just sooo tacky.

Would you put that thing away and get dressed?

I was thinking we should pick up some linen, maybe cooking utensils too.

Unless you want to keep blowing our money on fast food.

No...If I have to eat one more of those frozen burritos, I'm gonna kill myself.

And that would be bad because...?

Okay then. Get your pretty little ass out of bed. We may be able to grab something quick in the cafeteria.

Hey cuties!

Look, he laughs at me.

You know, I was waiting for you to come knocking on my door last night, but you disappointed me.

What were you three doing?

Arty wouldn't tell me, the selfish boy.

Actually, Art showed us the apartment, we had hot, wet, sticky sex, then he left.

I think you would have found it boring.

=snicker=

ehhh...

I'm used to it. No one ever takes me seriously.

I'm just another sad drag queen to them.

NOW ARRIVING AT CO-OP CENTER.

Hey! Lyle, Jason, wait up!

Hi there, pandakins!

Hi, thanks again for the apartment! We absolutely love it!

You two more than thanked me last night. I almost forgot what it was like to be with someone.

So thank you!

Oh yeah, Beige is doing his monthly showcase at the "Bunny Hop" club next weekend. He forgot to tell you this morning and asked me to invite you.

We'd love to go. God knows we could use a nice night out... But I'm afraid Jason and I are a little strapped for cash.

LIVIN' THE WORLD

We just spent the last of our cash on sheets.

Ukk!

...Hmmm? Oh, don't worry about money...

You'll both be on the guest list, along with me and a few others. No charge.

I suppose we could do that. Tell Beige we'll be there.

Hon? Sound good to you?

Great! I'll let him know so he can write your names in.

argyle?...

That's awfully nice of Beige to invite us to his performance. I've never seen a drag show bef-

Hi there, mousies. Did chubby pandakins give you my invitation?

Yes he did, and we'll be there, hon.

Good. Now don't disappoint me a second time. I cannot easily forgive you twice.

hmm?

Oh, you went shopping?

Here darling, let Beige see what you purchased.

...

ARGYLE SHEETS! I SIMPLY ADORE ARGYLE, SWEETUMS!

I KNOW! Aren't these sheets GORGEOUS? I saw them and I just HAD to get them!

Jason just doesn't see my vision for our little love nest.

sigh No accounting for good taste.

HEY!

LINEN 'N' MO

It's a fact of life, hon. Get over it.

SLAM

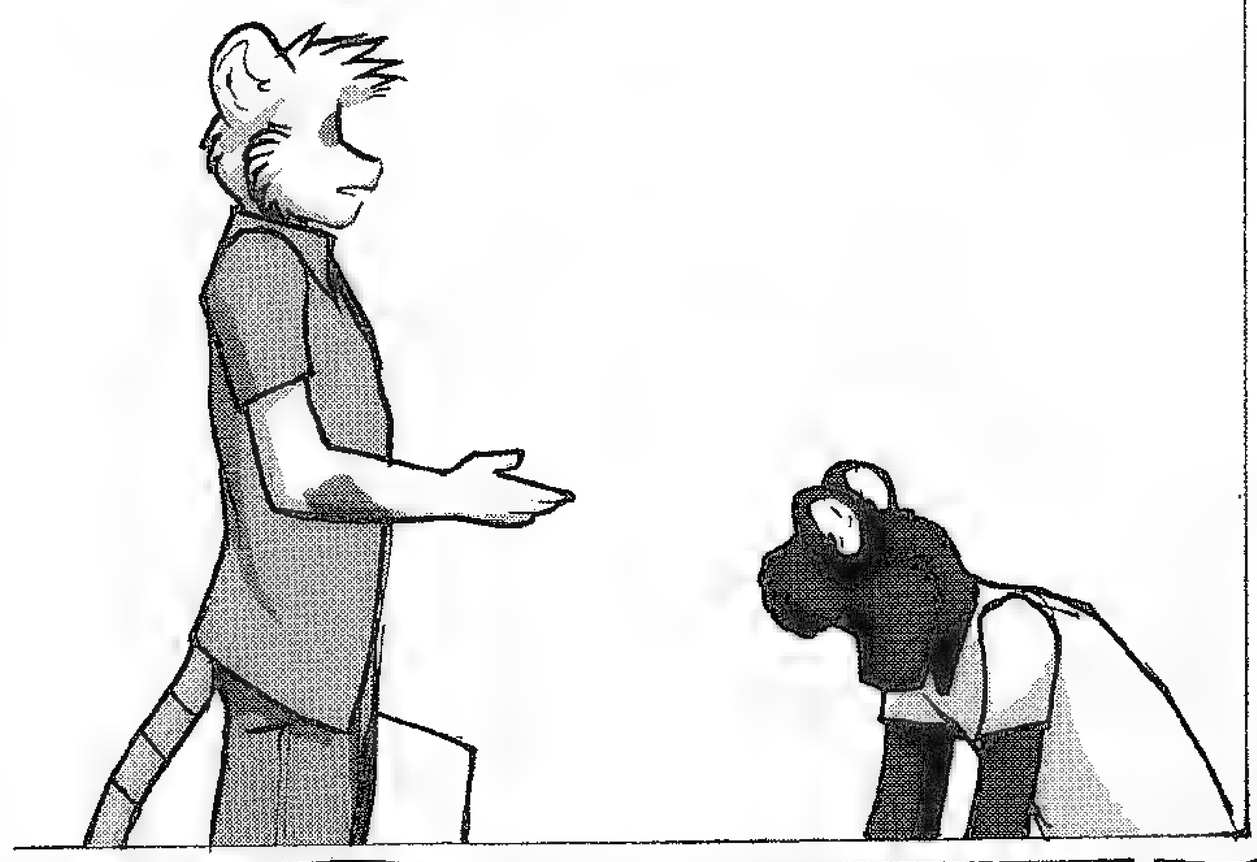

You gotta be fucking kidding me...

Back at the apartment

OH-MY-GOD. You have GOT to see Beige's apartment! Everything is so colorful and glittery!

He has wall coverings with the same paisley design as those other sheets I saw. All kinds of erotic art and sculptures. He gave me some home-made sangria! You HAVE to try that! He's got books on interior design that show you how to decorate on a small budget. I tell you, he's something else! And--

You left me in the hallway alone, while you just went off with HIM.

Oh my god, I'm so sorry! I guess I got a little excited...

A little? It looked like you were going to lift your tail for him right on the spot!

Err... that bad, huh? Well, it's not everyday that I meet someone with the same likes as me.

Oh, and I don't share common interests with you?

Hon, yes you do, but that's more intellectual. And I wouldn't have you any other way. Beige is more on the material side of things. Flashy, fun, sociable. You know, like.....

....The person you wish I could be?

That's not fair! He's a really nice guy...er... girl...uh...

Drag queen.

Yeah?

Well what else did you two wind up doing?

We blew each other while sticking cock rockets up our asses... Hon, we just talked. I told him about us and how we came to go to school here. He told me about his ex-lovers and how he became a drag queen. That's all.

Do you really think I'd screw any fur without you being there, or at least telling you first?

sigh I know you wouldn't do anything of the sort...

I was just angry that you went off like that.

I felt like I was being dumped.

Oh sweetheart... you know that would NEVER happen. We've been through so much together...

I love you. Is there any way I can make it up to you?

...

Love me... Now.

mmm...

Gladly.

mmm-
nice...

Soon....

Feel better?

Mmhmm.

SMOOCH~D

Mm...I love you, Jason.

Love you too, sweety.
